

CURRICULUM VITAE

Naam/Geboortedatum/ adres

Astrid Indekeu / 26 April 1974/ Sepulkrijnenlaan 21, 3500 Hasselt

E-mail /GSM-nummer

astrid.indekeu@kuleuven.be / 0474.440.407

Ondernemingsnummer

0775.487.779 (Donae, Donorconceptie Nazorg- en Expertisecentrum)

INTERESSE-GEBIEDEN

Menselijke voortplanting en seksuologie (donorconceptie, on/vruchtbaarheid, geassisteerde voortplanting), mannelijkheid/vrouwelijkheid, LGBTQ+, vertaling van wetenschappelijk onderzoek naar de praktijk

OPLEIDING

- **Doctor in de Biomedische Wetenschappen**, KU Leuven (BE), 01/10/2013 (Onderwerp: “Parenthood by donor conception. Exploring (intended) parents' experiences and disclosure behavior”)
- **Licentiaat Seksuologische en Familiale Wetenschappen**, KU Leuven (BE), 2008, met grote onderscheiding
- **Licentiaat Klinische Psychologie**, KU Leuven (BE), 1998, met onderscheiding

KLINISCHE ERVARING

- DONAE, Donorconceptie Nazorg en Expertisecentrum (2022 – heden) – www.donae.be
- *Klinische consultaties* voor o.a. vzw Donorfamilies (sinds 2013), *online webinars voor (wens)ouders* zoals bv. “Wat als je een donor nodig hebt om je gezin te vormen” (2020: i.s.m. Leuven fertiliteitscentra en Huis van het Kind) en “Praten met je kind over donorconceptie” (Fiom [NL], 2021), *project voor tieners* i.s.m. Donor Conception Network DCN [UK] (sinds 2024)
- Deelname 6-wekelijkse internationale peerreview-groep (UK, AUS, NZ, D, NL) sinds 2023
- Supervisie van stage klinische psychologen KU Leuven (2003-2005 /2007-2009)/ seksuologen (2015)
- Klinisch psycholoog, kinderoncologie, UZ Leuven, Leuven, jan. 2006 – okt. 2009
- Klinisch psycholoog, Moeder & Kind eenheid - kindergeneeskunde, Jessa Ziekenhuis, Hasselt, jan. 2000 – jan. 2006

BELEIDSMATIGE ERVARING

- Voorzitter van POINT, de beroepsvereniging van Belgische en Nederlandse fertiliteitscounsellors: 2020 tot heden www.pointnetwerk.nl
- Bestuurslid van IICO, International Infertility Counseling Organisation – www.iico-infertilitycounseling.org
- Adviseur bij het Vlaams Afstammingscentrum (Ankie Vandekerckhove, coördinator)
- Adviseur in het project ConnecteDNA: Donor conception in the age of direct-to-consumer genetic testing (P.I Prof. Dr. L Frith, University of Manchester, UK, 2021-2024, project van University of Manchester, University of Liverpool, De Montfort University of Leicester, University of Warwick, University of Birmingham, Economic and Social Research Council.
- Adviseur voor ‘Donor-Donorkind contacten’:
 - Nederland: o.a. ZonMW-project ‘Zorgvuldigheid in de omgang met de leeftijdsgrenzen in de Wdkb i.s.m. Universiteit van Humanistiek, Fiom en ProFacto <https://projecten.zonmw.nl/nl/project/zorgvuldigheid-omgang-met-leeftijdsgrenzen-de-wdkb>
 - Duitsland: Workshops i.s.m. [Beratungsnetzwerk Kinderwunsch Deutschland](http://BeratungsnetzwerkKinderwunschDeutschland) (BKID): (sinds 2021)
 - Japan: workshops i.s.m. DonorLinkJapan (sinds 2023 – heden, online en 2025 2-dagen workshop in Tokyo)
 - Finland: workshop i.s.m. fertiliteitsprofessionals (artsen, counsellors, support groups): 2024
 - New South Wales (AUS): consultatie overheid m.b.t. open van de donorregisters (2025)
- Bijdrage aan Progress Education Trust [PET,UK] online webinar (2024) <https://www.progress.org.uk/ten-families-and-counting-time-for-global-limits-on-donor-created-half-siblings/>
- Mede-organisator seminar ‘[Donoranonimiteit herbekeken: implicaties voor de toekomst](http://Donoranonimiteit%20herbekeken%3A%20implicaties%20voor%20de%20toekomst)’ i.s.m. Institute for Child & Youth, KU Leuven (2025)
- Guest-advisor (2025) bij special article Collection in Human Fertility-journal on ‘[Donor Conception Connections](http://DonorConceptionConnections)’.
- Bijdrage aan 3-daagse internationale workshop [Focusing on pre-conception, and the post-conception complexities in Donor Conception and Surrogacy \[DC&S\]](http://Focusing%20on%20pre-conception,%20and%20the%20post-conception%20complexities%20in%20Donor%20Conception%20and%20Surrogacy%20DC&S), Brocher Foundation Centre, Geneva [CH], 7-9 Oktober 2025.
- Wetenschappelijk adviseur van vzw Donorfamilies: 2013 tot heden.

ONDERZOEKSPOSITIES

- **Senior Specialist Beleid & Onderzoek Donorconceptie**, Fiom (NL), 2018 - 2021
 - **FORTE COFAS-2 Marie Curie post-doc fellowship**, Dep. Neurobiology, Care Sciences & Society, Karolinska Institutet (SE), 2016 – 2018
 - **Post-doctoraal onderzoeker**, Dep. Neurobiology, Care Sciences & Society, Karolinska Institutet (SE), 2014 –2015
 - **Post-doctoraal Fellow**, Centrum voor Sociologisch Onderzoek, KU Leuven (BE), Feb. 2014 – heden
- Binnen dit kader zijn de huidige onderzoeksprojecten (i.s.m. Instituut voor Familiale en Seksuologische Wetenschappen en Faculteit voor Psychologische en Pedagogische Wetenschappen)
- Wanneer is te veel, 'te veel': over het aantal donorkinderen per donor
 - Wanneer is een schandaal 'een schandaal': over inseminatiefraude
 - Zie: <https://soc.kuleuven.be/ceso/life-sciences-society-lab/Research/moving-society-nieuwe-paden-nieuwe-vragen-m-b-t-donorconceptie/view>

INTERNATIONALE ONDERZOEKSVERBLIJVEN - UITWISSELINGEN

- 3 jaar bij **Fiom (NL)**, september 2018 – september 2021
- 3.5 jaar aan het **Karolinska Instituut (SE)**, november 2014 – mei 2018
- 1 maand aan **Universiteit van Oxford (UK)**, deelname aan de cursus 'Science, technology and medicine: the history of their interaction' (Oxford-UC Berkeley Summer school), juli - augustus 2014
- 2 maanden in **Brocher Foundation Centre, G n ve (CH)**, maart - april 2013
- 2 maanden aan **University of Canterbury, Christchurch (NZ)**, oktober - december 2012

ACADEMISCHE ERKENNINGEN/PRIJZEN

- **Global Bridges to Advance Health Care Research Careers for Junior Researchers** toegekend door Dep. Neurobiology, Care Sciences & Society, Karolinska, 2017
- **Forte Marie Curie International Postdoc Fellowship Program** (Cofas-2, inkomende post-doc, SE), 2016-2017
- **SFO-V's Internalisation Programme for Junior researchers** toegekend door Dep. Neurobiology, Care Sciences & Society, Karolinska institutet, 2015
- **Brocher Foundation Centre**, G n ve (CH), maart - april 2013

ONDERWIJSACTIVITEITEN

- Begeleiden *master thesis* (KU Leuven: sinds 2009), and *bachelor thesis* (Thomas More School: 2014-2016)
- **Gastlezingen** over gezinsvorming na donorconceptie in *Master Seksuologie* (KU Leuven), *Bachelor Vroedkunde* (KHLim), *Post-graduaat Fertiliteitscounselor* (PXL), *Post-graduaat Perinatale Psychologie* (Thomas More hogeschool), *Master Social and Behavioural Sciences* (UVA, NL), *Master Rechten* (VUB) , 2011 - heden

TALEN

Nederlands (moedertaal), Frans, Engels, Duits, Zweeds (A2 level)

LIDMAATSCHAPPEN

- European Society of Human Reproduction and Embryology (ESHRE)
- British Infertility Counselling Association (BICA)
- Donor Conception Network (DCN)
- Belgische Federatie van Psychologen (BFP)
