The Image Generator is an initiative of a group of artists and organizations from Antwerp, Belgium, which is happening for the seventh year in a row. The event is a meeting of artists from all over the world who explore the potential of interaction between visual art, sound art and performance, in direct exchange with the audience and spaces and in search of new creative perspectives for the human imagination through continuous dialogue and change, say the Bulgarian team .

The platform for creative exchange will be presented in Sofia on October 8, at the **cultural institute "Krasno Selo"**, which is opening its underground spaces for the first time. The idea is to position them as a new center for contemporary art.

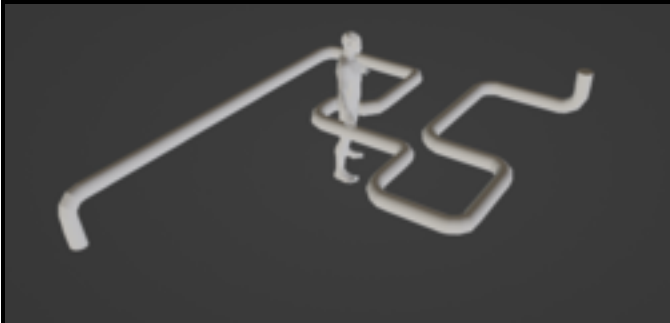

Fifteen visual and performative artists from France, Belgium, Slovenia, the Netherlands, Morocco, Germany, Denmark, China, the USA, Turkey and Bulgaria will meet and work together, within two weeks, to then present a 7-hour happening with site specific installations, theater and vocal performances, multi-sensory sound environment, projections, contemporary
