

The many lives and exploits  
of Donja Hota,  
as told by the protagonist

عَزِيزٍ يَّا  
رَبِّيْنَاتِ

بعشَقِيْ المُسْتَقِيْ باللَّهِ لِوَهْدِيْ بِأَعْمَ سَنَوَارِعِ الْمَدِيْنَةِ،  
وَبِأَيْدِيْ سَكِيْنَ.

بعشَقِيْ دَفْشَنِ اللَّهِ مُجَرَّبِ يَكْبِسِيْ.

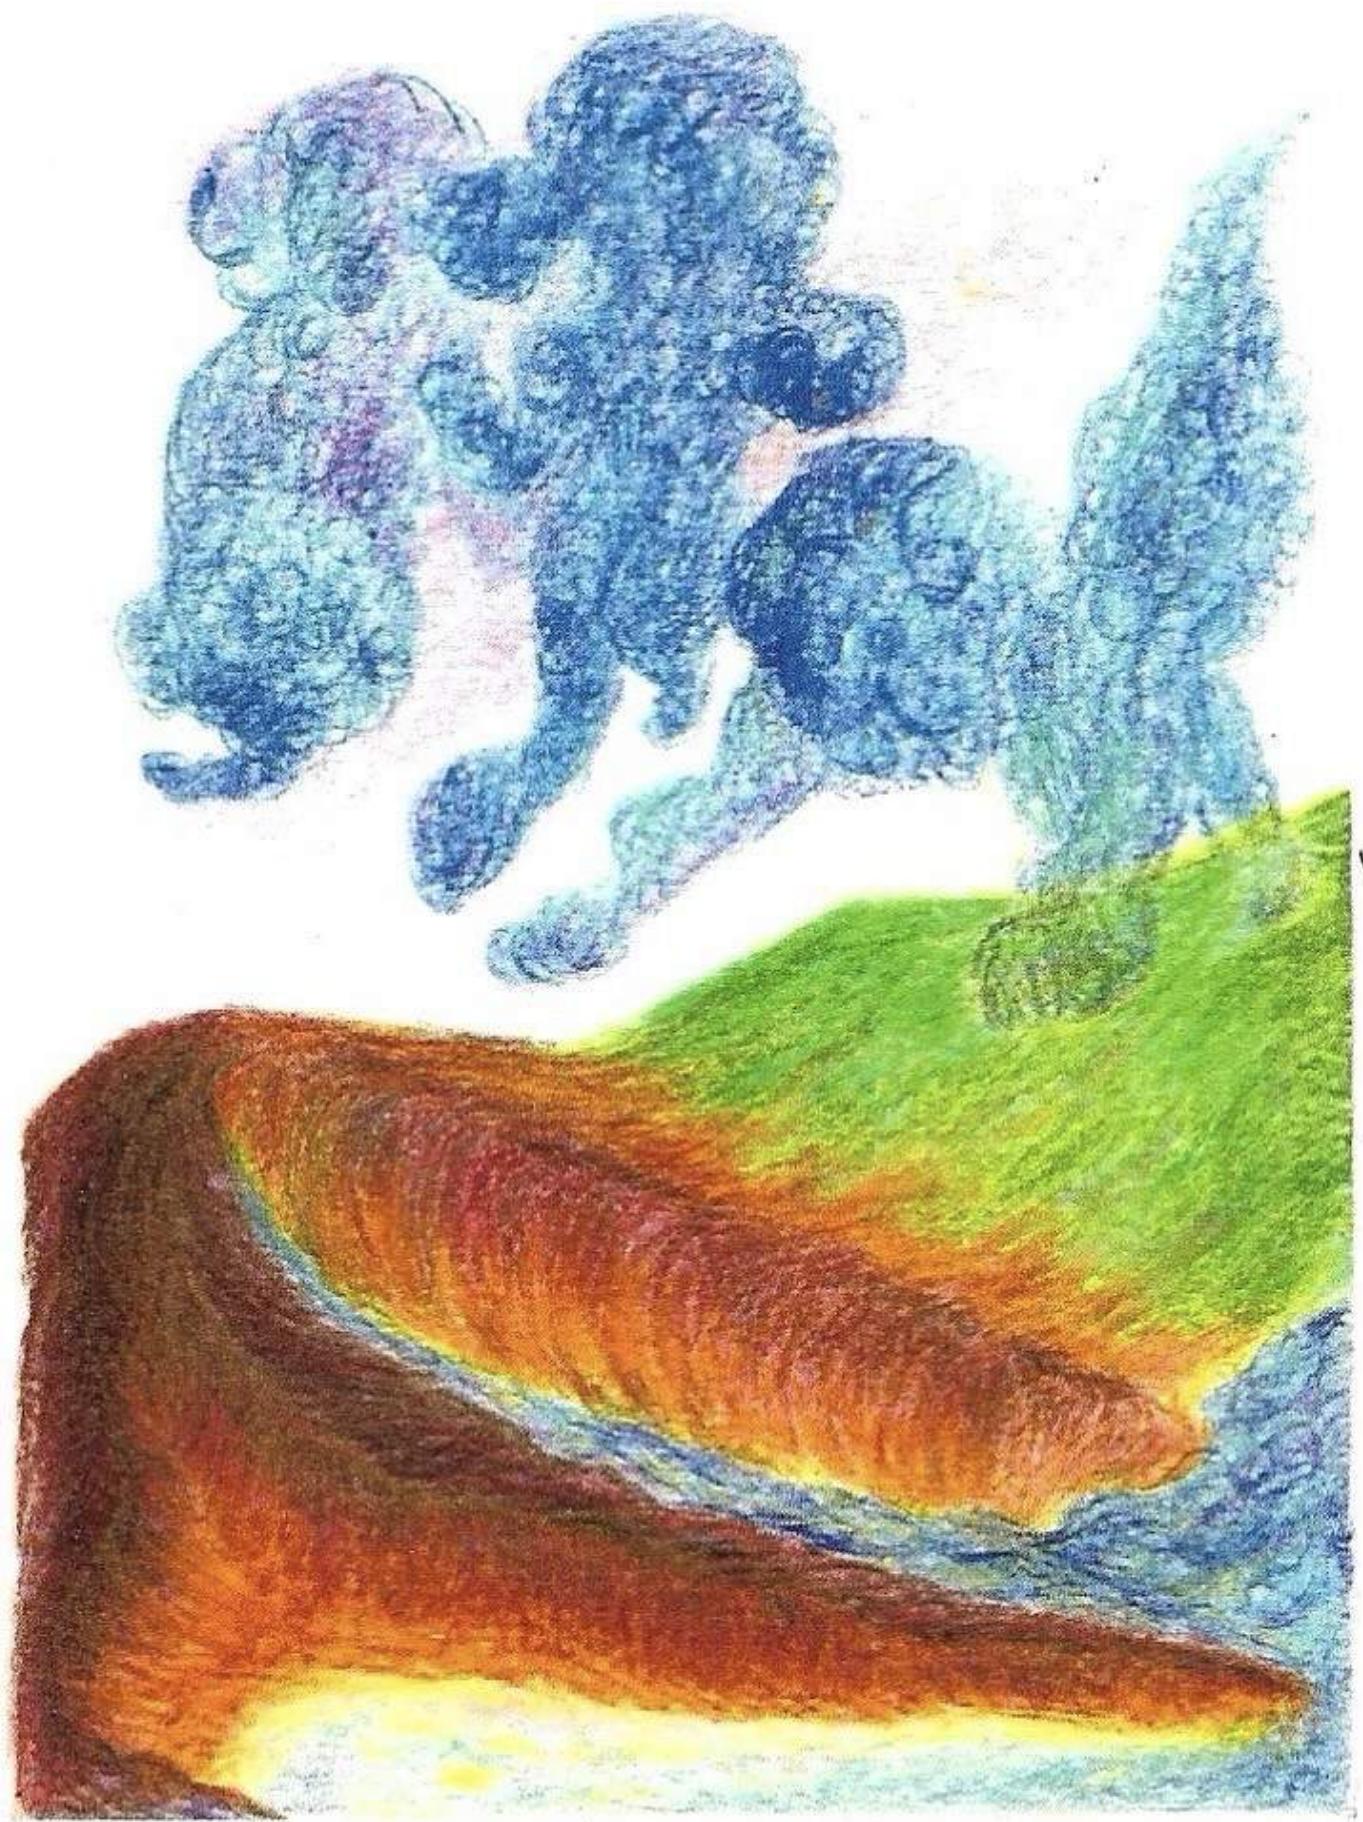

بعشَقِيْ إِتِسْمَعَ منْ قَرِيبِ دَعْيَيْنِ مَفْتوَهَةِ دَسَانِيْ  
لَعْنَا، وَإِنْتَشَقَ سَكَنَ عَمَقَ.

صَيْكَ بِقَدْرِ إِبْلِعِ الْعَامِ.

~~لَكَ دِينَاهُوَتَهُ~~

مَلَدَهَظَةٌ ١: سَثِيلِ سَرَاعَتَنِ لَّا تَجَرَّبِ.

مَلَدَهَظَةٌ ٢: بَحْبَ مَا كُونَ عَادِدَهُ لَلَّا إِثْنَيْنِ : لَدَأْنَالِد  
مَلَدَهَظَةٌ ٣: إِيْ

ET PUIS LE CHEVAL M'A FAIT NAITRE AUBRE

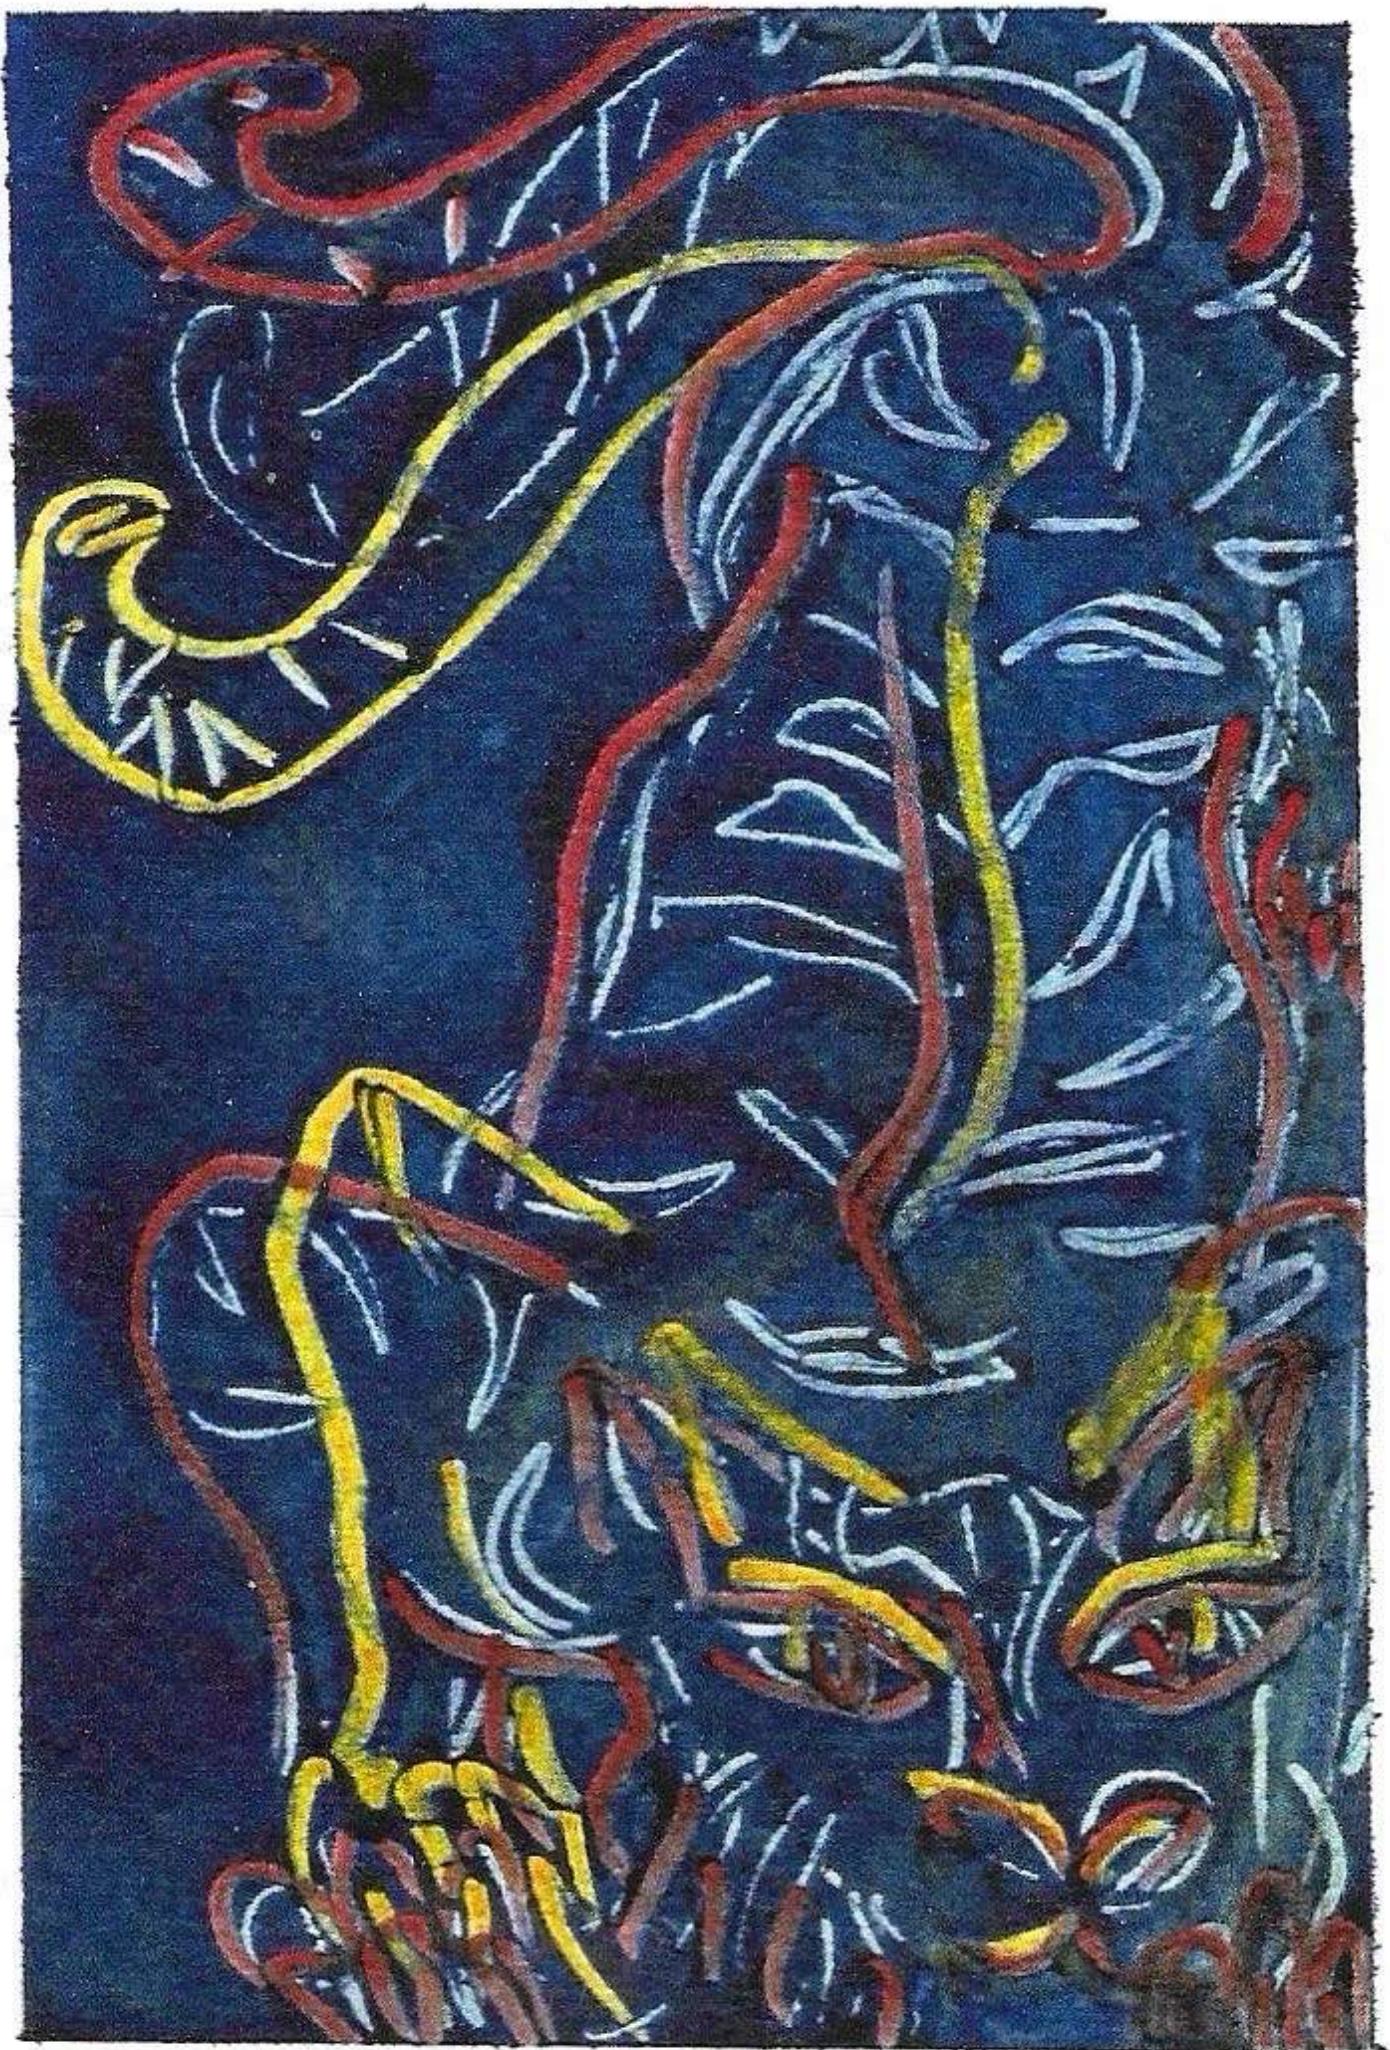

DE LA MER. ET MINTENANT J'AI LA NAUSÉE.

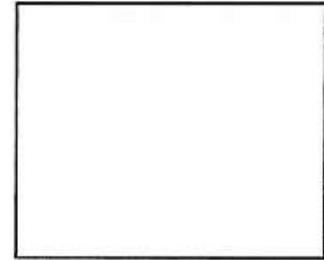

Dearest,  
back to you, still from afar.  
Here I untied my shoelaces. At your age - of course,  
you've learned that already.

That relief of stepping on the ground,  
feeling the floor, ~~not~~ dirtying your feet or socks.  
Stepping on glass or a nail: it gives me CLARITY  
and I become immense.

Then I imagine myself walking on the street  
like a whale.

MAY LOVE ALWAYS CARRY YOU, Sonja Hota

~~Ciao~~

Cara mamma,

Ti scrivo da scuola in segreto perché non mi puoi  
scrivere da scuola in segreto perché non mi puoi  
voglio dirti due cose:

1. Io odio la scuola
2. Siamo così fortunati che possiamo andare a  
scuola

Ti voglio bene mamma,

Donja

Lieve Alma,  
daar ben ik weer, en ik kan je gerust-  
stellen: ik voel me eigenlijk wel ok.

Boos, natuurlijk. Nee, niet boos.

IK ben verdomme west.

maar niet bitter.

IK denk dat woede  
droef of bitter wordt

als je denkt dat ze geen zin heeft.

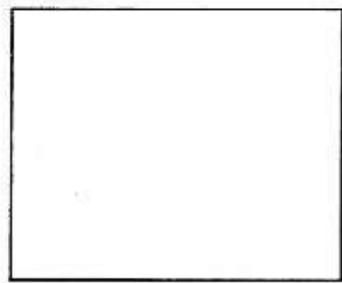

Maar woede is goed, Alma. (dat heb ik ook gezegd)

GEEN SCHAMTE, GEEN VERONTSCHULDIGINGEN.

WEES BOOS GODVERDOMME!

Met zachteste hofje  
liefde, ja

Querida Alma,  
back to you de frente. Estou preocupada contigo.  
Nestes tempos de grande perdas, é importante  
estarmos juntas. Se nos tivéssemos unido, não teriam  
acontecido certas coisas terríveis. E não estariam  
a lidar com ~~tanta~~ <sup>tanta</sup> perda de merda.

muito amor,

Dona Jota

P.S. como vai a escola?

P.P.S. GOSTAVA QUE PUDÉSSSEMOS UNIR O QUE  
A EDUCAÇÃO DIVIDE .

Chère Alma,

back to you depuis les profondeurs de l'eau.  
J'étais née en étant déplacée. Elle qui  
maintenant j'aime être l'étrangère, elle qui  
ne sait pas encore comment les choses  
fonctionnent. C'est pour mieux les emmerder.  
Est-ce que j'aime me débattre? JE NE CROIS PAS!  
Est-ce que j'aime les nouveaux départs? oui!  
LOVE SUR TOI FOREVER TAUJOURS,  
Donya Ghata
